If rent is not received by the 5th day of the month, Tenant shall pay a late fee of \$40.00 (five percent of the monthly rent). This amount is intended as a reasonable estimate of the administrative and other costs incurred by Landlord as a result of late payment, consistent with Civil Code § 1671.

5. Security Deposit

Tenant shall pay a security deposit of \$800.00 (one month's rent) upon signing. The deposit is held as security for performance of Tenant's obligations. Within 21 calendar days after Tenant vacates and returns all keys, Landlord shall return any remaining balance together with an itemized statement of deductions.

Tenant shall not make alterations, additions, or improvements without Landlord’s prior written consent.
